

ENCHANTING CHAU DOC

Built at the Three River Crossing, the low-rise colonial architecture of Victoria Chau Doc Hotel is in perfect harmony with the natural surroundings.

Offering breathtaking views of the river, it is an ideal base to explore an area of outstanding cultural richness and beauty. The Jarai, a traditional rice barge, offers a unique cruising experience deep in the Mekong Delta.

LOCATION

Located deep in the Mekong Delta, close to the Cambodian border, Chau Doc is a fascinating riverside small town, with a blend of Vietnamese, Cham and Khmer cultures.

Chau Doc is 280km from Ho Chi Minh City, and the journey takes about seven hours. Private transportation from HCMC or Can Tho to Chau Doc can be arranged by the hotel. You can also go to Phnom Penh from Chau Doc and vice versa on board our comfortable fleet of speedboats, a unique way to travel along the Mekong River between Vietnam & Cambodia.
