

Explore the World Heritage Angkor Temples and immerse yourself in the Khmer Empire. The Victoria Angkor Resort & Spa, inspired by 20th century colonial architecture and design, provides a sense of serenity with the nostalgic comfort and elegant refinement of the French Art de Vivre.

LOCATION

In total harmony with its natural surroundings, the resort is situated in the heart of Siem Reap, opposite the Royal Park. Located within close proximity to the Angkor Temples, the quaint old market town of Siem Reap and only 7 km (4 miles) from the International Airport.

Transport yourself into the past with our three vintage Citroën limousines, for personalized airport transfers, a trip around the town or a visit to the Temples.
